

## Ampure Go™ High-Power Portable Cordset

Next Generation Universally Applicable Level 2 EV Supply Equipment

### Key Features:

- UL certified according to established regulatory bodies
- Interchangeable grid plugs for North America
- Customized branding and/or styling options
- State-of-the-art safety features
- Compact, portable Level 2 Charger
- 3 LED status bar
- IP67 Rating can be submerged up to 3ft (1m)  
\*Excluding Grid Plugs (IP55 Rating)
- Easy to use, take it anywhere, simply plug-in and charge
- Designed and engineered in California, USA

### Technical Specifications

|                        |                                    |
|------------------------|------------------------------------|
| Voltage                | 120 - 240 VAC                      |
| Power                  | 12 A @ 120 V to 32 A @ 240 / 208 V |
| Circuit Breaker Rating | 15 A @ 120 V to 32 A @ 240 / 208 V |
| Frequency              | 45-65Hz                            |
| Grid Plug Types        | NEMA 14-50 & NEMA 5-15             |
| Cable Length           | 20 ft (6.1 m)                      |
| Weight                 | 9 lbs. (4.1 kg) w/ two Grid ASM    |
| Operating Temperature  | -40°F (-40°C) to 185°F (+85°C)     |
| Environmental Rating   | IP67 / NEMA watertight             |
| Coupler Type           | J1772                              |
| Certifications         | UL, cUL, and FCC                   |
